PREFACE

Himachal Pradesh, “Crime Review-2016” is the Ninth issue being published by State CID, SCRB. Efforts have been made to collect, present and analyze the data. Our endeavour was to make available maximum details by way of statistical tables, graphs/charts and brief interpretation wherever possible.

The job of data interpretation of crime is increasingly becoming important tool to forecast future trends for proper law enforcement and therefore, mere presentation of statistics does not serve the purpose anymore. It is our objective to collect accurate, meaningful and relevant statistics which would contribute towards formulation of focused Crime Control Policies in the State.

The Officers and the staff of State Crime Records Bureau, H.P have made significant contribution towards the preparation of this 9th issue of Crime Review because of which it has become possible to bring this issue in such a comprehensive manner.

I am sure this effort will go a long way in helping the police officers besides providing information to all stakeholders.

I look forward to your suggestions/feedback at scrb-hp@nic.in

The Crimes against Women are being closely monitored in the State. Several measures have been undertaken to tackle this social menace. On one hand, special attention is being paid towards prevention of crimes against women by increased police vigil and by harnessing the resources of the community.

Crime against women has minor increase during the year 2016 in comparison to the previous year, 2015. However, last 10 years annual average of crime against women is 1404. During the year 2016, 1756 cases of crime against women have been registered in the state. As compare to 10 year state average, this increase is due to the fact that in past the women usually hesitated to report the unfortunate incidents, which took place with them and also due to change of law. But now on account of increased awareness and change in social values, ethos and social reassurances being provided by the society, free registration of cases, Opening of Women Police Stations and Suvidha Yojna started by the HP Police Department, Women are more often coming forward to report the offences taking place against them.

HP Police Department has initiated many steps in the recent years to ensure better Police response to the malaise. Five Women Police Stations have been opened at Shimla, Dharamshala, Mandi, Kullu and Baddi to monitor quick disposal of cases of crime against women. A Women Crime Unit has also been constituted at State CID Hdqrs. 2 AHTU's have also been established in Shimla & Kangra in first phase. No particular area is prone to the incidence of such crime in this state. No special organized gang is operative in the state to commit crime against women. In a nutshell, a complete sense of security is prevailing among women folk and they are performing their daily chores without any fear.

MAP-6.2

PERSONS ARRESTED UNDER (SLL) CRIMES -2016

CHAPTER-7

CRIME AGAINST WEAKER SECTIONS OF SOCIETY (SC/ST)

7.1 General:

A complete harmony among different sections of society is prevailing in the State. No particular area of the State is notorious for the commission of offences against the SCs/STs. However sporadic incidents of violence against the members of these communities do take place of and on.

India is a welfare State. It is committed to the welfare and development of its people in general and of vulnerable sections in particular. Equality of status and opportunity to all citizens of the country are guaranteed by the constitution of India which also provides that no individual shall be discriminated against on grounds of religion, caste or sex. Fundamental rights and specific provisions, namely, Articles 38, 39 and 46 in the constitution of India stand testimony to the commitment of the State towards its people. The strategy of the State is to secure distributive justice and allocation of resources to support programmes for social, economic and educational to advancement of the weaker section in general and those of Scheduled Casts and Scheduled Tribes.

7.2 Constitutional Rights:

The Indian Constitution vide Article 15 lays down that no citizen shall on grounds of religion race, sex or place of birth be subjected to any disability or restriction. It also guarantees that every citizen shall have equality of status and opportunity.

7.3. Legal Rights:

To Uphold the constitutional mandate and to safeguard the interests of this section of the society, Special social enactments have come into force from time to time including privileges by way of reservations for them

The major legal enactment sponsored by Centre is:

- (i) Protection of Civil Rights Act, 1955; and
- (ii) SC/ST (Prevention of Atrocities) Act, 1989

The Protection of Civil Rights Act, 1955 was enacted in furtherance of Article 17 of the Constitution by which untouchability was abolished and its practice in any form is forbidden. Further, in order to check and deter crimes against SC/STs by persons belonging to other communities, the Scheduled Casts and Scheduled Tribes (Prevention of Atrocities) Act, 1989 was brought into force from 30th January, 1990. These enactments have extended the positive discrimination in favour of SCs and STs to the field of criminal law in as much as they prescribe penalties that are more stringent than for corresponding offences under Indian Penal Code (IPC) and other laws.

In addition, in pursuance of the constitution 65th amendment Act, 1990, National Commission for SCs and STs was constituted w.e.f. 12th March, 1992 with wide functions and powers of Civil Courts to take up matters which are of vital importance for socio-economic development of SCs and STs.
