## **PREFACE**

**Himachal Pradesh, “Crime Review-2017” is the 10<sup>th</sup> issue being published by State CID, SCRB. Efforts have been made to collect, present and analyze the data. Our endeavour was to make available maximum details by way of statistical tables, graphs/charts and brief interpretation wherever possible.**

**The job of data interpretation of crime is increasingly becoming important tool to forecast future trends for proper law enforcement and therefore, mere presentation of statistics does not serve the purpose anymore. It is our objective to collect accurate, meaningful and relevant statistics which would contribute towards formulation of focused Crime Control Policies in the State.**

**The Officers and the staff of State Crime Records Bureau, H.P have made significant contribution towards the preparation of this 10<sup>th</sup> issue of Crime Review because of which it has become possible to bring this 10<sup>th</sup> issue in such a comprehensive manner.**

**I am sure this effort will go a long way in helping the police officers besides providing information to all stakeholders.**

**I look forward to your suggestions/feedback at [scrb-hp@nic.in](mailto:scrb-hp@nic.in)**

## **CHAPTER-4**

### **CRIMES AGAINST WOMEN**

#### **4.1 General:**

Crime which are directed specifically against women are characterized as Crime against Women. They may be broadly classified under following two categories:-

#### **1. Crimes against Women identified under the Indian Penal Code (IPC)**

- (i) Murder Sec 302,303 IPC)
- (ii). Dowry Deaths (Sec304B IPC)
- (iii) Abetment to Commit Suicide (Sec.306 IPC)
- (iv) Acid Attack
- (v) Cruelty to Women (Sec. 498A IPC)
- (vi) Kidnapping & Abduction (Sec. 363,366, IPC)
- (vii) Rape
- (viii) Attempt to Commit Rape
- (ix) Assault on Women with intend to outrage her modesty Sec.354 IPC )
- (x) Insult to the modesty of Women ( Sec.509 IPC)

#### **2. Crimes against Women Identified under the Special and Local Laws(SLL)**

Although all laws are not gender specific, the provision of law affecting women significantly have been reviewed periodically and amendments carried out to keep pace with the emerging requirements. Some acts which have special provisions to safeguard women and their interests are

- (i) Immoral Traffic (Prevention) Act
- (ii) Dowry Prohibition Act, 1961
- (iii) The Child Marriage Restrain Act.
- (iv) Protection of women from Domestic violence
- (v) Sati Prevention Act.

The Crimes against Women are being closely monitored in the State. Several measures have been undertaken to tackle this social menace. On one hand, special attention is being paid towards prevention of crimes against women by increased police vigil and by harnessing the resources of the community.

Crime against women has minor increase during the year 2017 in comparison to the previous year, 2016. However, last 10 years annual average of crime against women is 1404. During the year 2016, 1756 cases of crime against women have been registered in the state. As compared to 10 years state average, this increase is due to the fact that in past the women usually hesitated to report the unfortunate incidents, which took place with them and also due to change of law. But now on account of increased awareness and change in social values, ethos and social reassurances being provided by the society, free registration of cases, opening of Women Police Stations and Suvidha Yojna started by the HP Police Department, women are more often coming forward to report the offences taking place against them.

HP Police Department has initiated many steps in the recent years to ensure better police response to the malaise. ## **CHAPTER-7**

### **CRIME AGAINST WEAKER SECTIONS OF SOCIETY (SC/ST)**

#### **7.1 General:**

A complete harmony among different sections of society is prevailing in the State. No particular area of the State is notorious for the commission of offences against the SCs/STs. However sporadic incidents of violence against the members of these communities do take place off and on.

India is a welfare State. It is committed to the welfare and development of its people in general and of vulnerable sections in particular. Equality of status and opportunity to all citizens of the country are guaranteed by the constitution of India which also provides that no individual shall be discriminated against on grounds of religion, caste or sex. Fundamental rights and specific provisions, namely, Articles 38, 39 and 46 in the constitution of India stand testimony to the commitment of the State towards its people. The strategy of the State is to secure distributive justice and allocation of resources to support programmes for social, economic and educational advancement of the weaker section in general and those of Scheduled Casts and Scheduled Tribes.

#### **7.2 Constitutional Rights:**

The Indian Constitution vide Article 15 lays down that no citizen shall on grounds of religion, race, sex or place of birth be subjected to any disability or restriction. It also guarantees that every citizen shall have equality of status and opportunity.

### **7.3. Legal Rights:**

To uphold the constitutional mandate and to safeguard the interests of this section of the society, special social enactments have come into force from time to time including privileges by way of reservations for them.

The major legal enactment sponsored by Centre is:

- (i) Protection of Civil Rights Act, 1955; and
- (ii) SC/ST (Prevention of Atrocities) Act, 1989

The Protection of Civil Rights Act, 1955 was enacted in furtherance of Article 17 of the constitution by which untouchability was abolished and its practice in any form is forbidden. Further, in order to check and deter crimes against SC/STs by persons belonging to other communities, the Scheduled Casts and Scheduled Tribes (Prevention of Atrocities) Act, 1989 was brought into force from 30<sup>th</sup> January, 1990. These enactments have extended the positive discrimination in favour of SCs and STs to the field of criminal law in as much as they prescribe penalties that are more stringent than for corresponding offences under Indian Penal Code (IPC) and other laws.

In addition, in pursuance of the Constitution 65<sup>th</sup> Amendment Act, 1990, National Commission for SCs and STs was constituted w.e.f. 12<sup>th</sup> March, 1992 with wide functions and powers of Civil Courts to take up matters which are of vital importance for socio-economic development of SCs and STs.

## CHAPTER-8

### SUICIDAL DEATHS

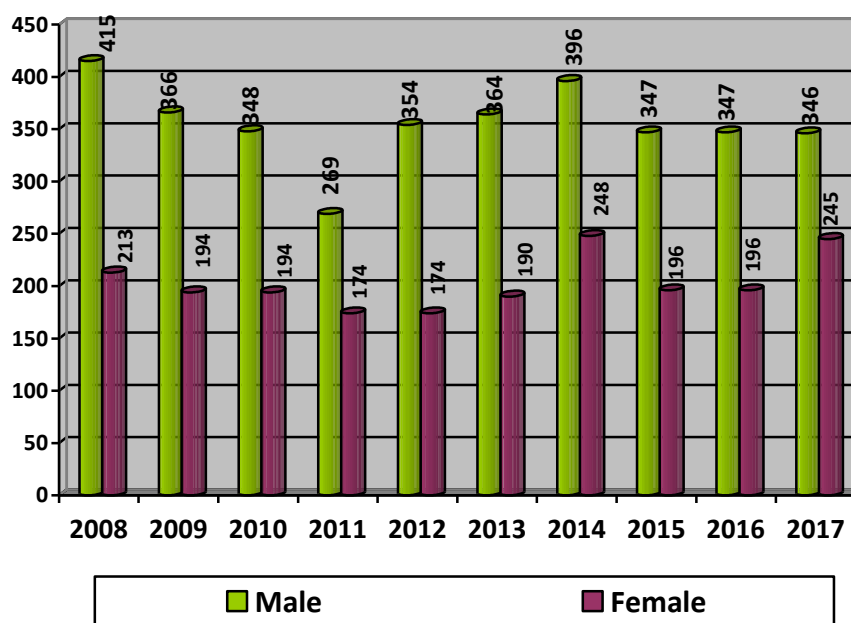

#### 8.1 General :

According to Oxford dictionary, 'suicide' means 'the act of killing oneself intentionally'. The 'suicide' word has its origin from Latin word 'sui' (of oneself) plus 'cardere' [kill]. It is a step which is taken by one normally in an emotionally or mentally weak moment when he or she feels coping with life is impossible

The number of suicides reported in Himachal Pradesh during 2017 was 591 as against 642 in 2016 indicating a decrease of 7.9%.

Kangra recorded the highest number of suicides during 2017 (156) followed by Mandi (89), Una (67), Shimla (63), Solan (46), Hamirpur (43), Baddi (30), Bilaspur (27), Kullu and Sirmaur (24). Suicides during 2008-2017 is presented in Chart 8.1

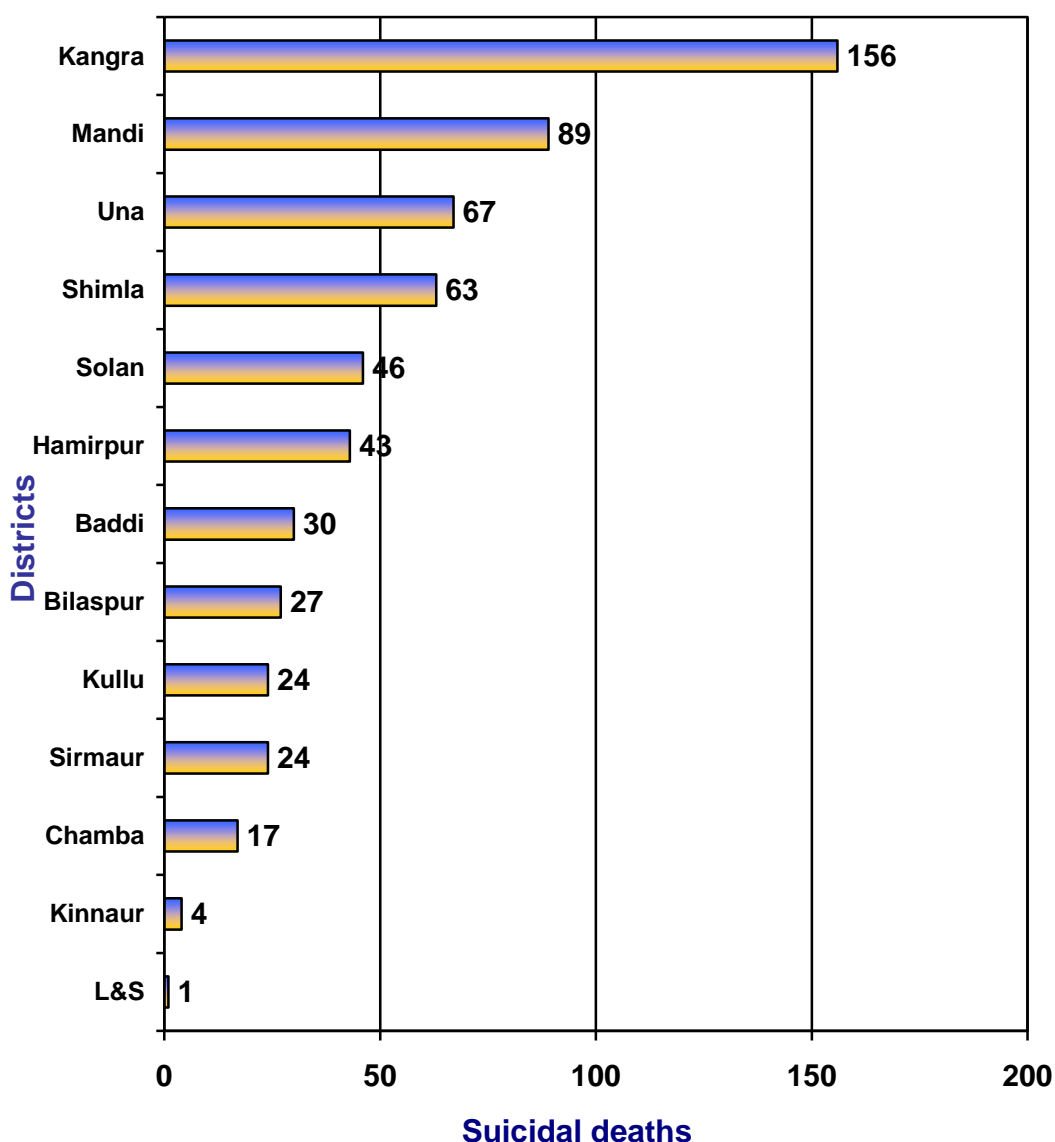

**CHART 8.1**  
**SUICIDE CASES (MALE AND FEMALE) DURING 2008-2017**

District-wise break-up of suicides during 2017 is available in Table 8.1. Comparative suicidal deaths for the last 10 years (2008-2017) including male and female is depicted in Table 8.1. Chart 8.2 depicts the district wise incidence of suicidal deaths during 2017.

### CHART-8.2

#### DISTRICT WISE SUICIDE INCIDENCE DURING THE YEAR 2017

#### 8.2. Suicide Rate per lac persons:

The following table shows district-wise suicide rate per lac

population during 2016 & 2017:-

<b>District</b>	<b>Population (2011)</b>	<b>Suicide Cases</b>		<b>Rate per Lac</b>	
		<b>2016</b>	<b>2017</b>	<b>2016</b>	<b>2017</b>

<b>Total</b>	<b>6856509</b>	<b>642</b>	<b>591</b>	<b>9.4</b>	<b>8.6</b>

From the above table it is revealed that there has been a decrease of over 7.9% (from 642 to 591) in suicide cases during the year 2017 over the year 2016. The minor increase has been witnessed in Solan (from 37 to 46), Kangra (from 148 to 156), Kinnaur (02 to 04). However, there has been decrease in rest of the districts of the State.

### District-wise percentage of suicide cases:-

The following table shows the percentage of suicide cases as compared to the percentage of the population of the district:

District	Population Percentage	Percentage of Suicide Cases	
		2016	2017
Baddi	3.7	5.14	4.9
Bilaspur	5.6	6.39	4.4
Chamba	7.6	3.43	2.8

The analysis shows that the age profile of most of the suicide victims both men and women falls into two age-groups of 18-30 and 30-45 years. Thus it can be said that most people who commit suicide do so in the prime of their lives between 18 to 45 years of age (69.5% in 2016) and (72.4% in 2017 ) This fact can be further co-related to the reasons for suicide i.e. 'family problems' and 'illness'.
