

Bureau of Police Research & Development (BPR&D) organizes All India Police Science Congress (AIPSC) annually. This prestigious Congress presents a common platform to various Police Forces, Social Scientists, Forensic Experts, Academicians and other Stakeholders to discuss emerging challenges faced by Police & Best Practices to meet these challenges and other topical relevance. The deliberations of the Science Congress provide vision for Indian Police Forces and roadmap to attain it.

It is a matter of great pride and honour for the state of Himachal Pradesh that the 46th All India Police Science Congress is being hosted at Shimla from 22nd to 23rd March, 2018.

The Congress will be attended by more than hundred representatives of all State and Central Police Organizations in addition to scholars and academicians of international repute. The hosting of such a big event will afford an opportunity to the State Police Officers to interact with professionals of other States and would assist in strengthening and enhancing their own skills.

The themes of the 46th Congress are as follows:-

- a) Social Media and Law Enforcement.
- b) Management of Investigative Case Load.
- c) Information Security.
- d) Crypto Currency and its challenges.
- e) Preventive Enforcement with respect to Narcotics Cultivation.
